Be careful, it's addictive!

LADIES AND GENTS... This is our 'Eleventh' issue and our 'Third' year of bold entertainment. We at SLITZ Magazine would like to thank you for all your compliments and support. Being a FREE magazine in a global market isn't always easy, but we welcome the challenge, and your continued support! Help us to spread the magazine and to find fresh faces to feature.

In this issue of the 'Who', 'When', 'Where' and 'WTF'! Party girl 'Karolina' (in the Philippines) is our cover girl; 'Sandra London' talk about her life as an adult entertainer; One party at the time with America's most prominent nightlife photographer 'KIRILLWASHERE.COM'; DJ spinna 'Joyce Mercedes' share her life and we get down and dirty with 'Cherry', our nude photo blogger.

Death may be certain, but taxes don't have to be as SLITZ Magazine continues to cover the Tax Havens Of The World. When you are done reading our latest ish, do take some time and send us your feedback and let us know what you think! We will publish comments that we love in our coming issues. [1] The Meteor Mic isn't just a high-quality microphone for your Skyping needs either - it's the "the universal solution for recording music on your computer...perfect for your home studio, voice recognition software and is compatible with iPad's GarageBand" . [2] Made entirely out of carbon fiber, the Creditor Money Clip Knife is the brain child of John Kubasek and it actually functions like a real knife. TOP 10 MAKE-OUT – AND SEXY TIME SONGS.....

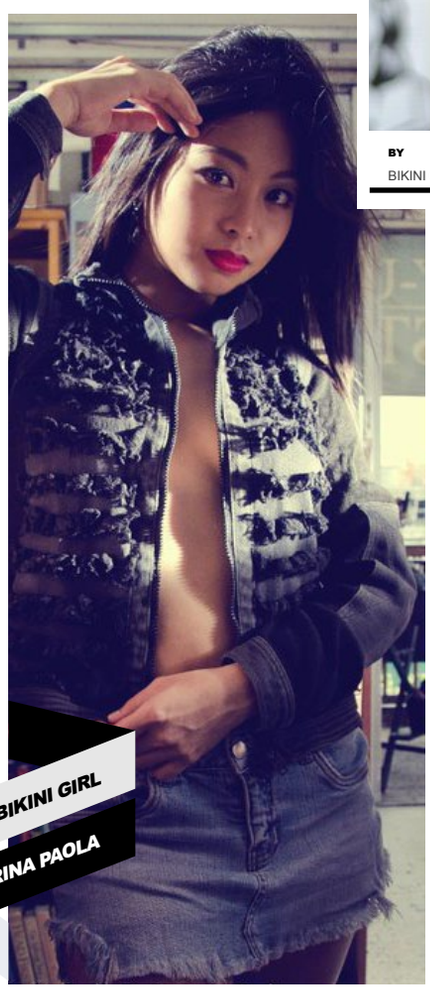
BY BIKINI GIRL KATRINA PAOLA



BY
BIKINI GIRL KATRINA PAOLA

YES, YES, I KNOW PEOPLE WANT TO GET INTO THE MOOD AND GROOVE BY SPINNING SOME NEAT SOUNDTRACK. SO FRET NO MORE, I NARROWED DOWN A LIST OF TRIED AND TESTED MUSIC FOR YOUR SWEET AND STICKY MOMENT. I SWEAR, MUSIC WILL SPICE AND HEAT THINGS UP IN THE BEDROOM – ERR ANY PLACE YOU WANNA GET YOUR GROOVE ON. LISTEN GOOD. THIS IS MY PLAYLIST. WHAT IS YOURS?

ONE... DO YOU WANNA TOUCH ME? - JOAN JETT AND THE BLACKHEARTS WITH LINES THAT SAY "RIGHT OR WRONG, GONNA TURN YOU ON, CAN'T YOU SEE WE'RE WASTING TIME" YOU KNOW THAT YOU REALLY CAN'T GO WRONG. BE CAREFUL WHEN POPPING THIS SONG THOUGH, YOUR LADY LOVE MIGHT JUST TAKE HER CLOTHES OFF AND REVEAL SOME RACY LINGERIE CLINGING TO EVERY LITTLE INCH OF HER SWEATY BODY.

TWO... BLACK LEATHER – GUNS AND ROSES IF SADOMASOCHISM IS YOUR THING, THEN THIS SONG IS DEFINITELY FOR YOU. WHIPS – CHECK. CUFFS – CHECK. FEELING SORE NEVER FELT THIS GOOD. YOU HAVE BEEN WARNED.

THREE... KISS ME DEADLY – LITA FORD WANNA KNOW HOW TO SNAG THAT DEATH METAL CHICK THAT YOU MET IN CUBAO X LAST FRIDAY NIGHT? PUT THIS TRACK IN YOUR MP3 PLAYER OR YOUR IPAD, WALK TO HER, THEN PLAY IT – THEN BOOM! SHE MAKES OUT WITH YOU AND YOU TAKE HER IN YOUR CAR – GOD KNOWS WHERE IT WILL LEAD BUT ONE THING IS FOR SURE, THIS SONG WILL KISS HER DEADLY – LITERALLY.

FOUR... SLEEPS WITH BUTTERFLIES – TORI AMOS THIS IS THE NON-VULGAR FUCK BUDDY/FRIENDS WITH BENEFITS/CASUAL SEX SONG. OR IF YOU'RE IN LOVE WITH YOUR BEST FRIEND THEN THIS SONG WILL DO WONDERS TO THAT NIGHT OF STEAMY AND RAW SEX. DON'T RUSH THINGS, BIG BOY. TAKE IT NICE AND SLOW. I GUARANTEE, THIS IS THE PERFECT WEAPON OF CHOICE.

FIVE... RASPBERRY BERET – PRINCE PRINCE IS REALLY THE KING OF SEXY TIME MUSIC IN RNB. JUST PLAIN DIRTY AND GROOVY – ONLY PRINCE CAN GET AWAY WITH IT. BASICALLY, THIS SONG IS ABOUT LOSING SOMEONE'S VIRGINITY. SO IF YOU'RE STILL A VIRGIN AT THE AGE OF 30 OR 45, YOU BETTER BE LISTENING TO PRINCE OR ELSE YOU WON'T GET LAID. GET THAT VIBE AND START POUNDING. .GOOD JOB.

SIX... YOU DRIVE ME WILD – THE RUNAWAYS THERE'S ALWAYS THAT SOMETHING WHEN UNDERAGE GIRLS ARE SINGING ABOUT SEX – YES WE'RE TALKING ABOUT JAIBAIT, JAIL-FUCKIN'-BAIT HERE. IF YOU HAVE A LOLITA-ESQUE CHICK THAT'S BEEN BOTHERING YOU ON FACEBOOK OR TWITTER, SEND HER A COPY OF THE RUNAWAYS ALBUM AND SHE'LL WANT SOME CHERRY POPPIN' IN NO TIME. YOU'LL SURELY BE PLEASIN' EACH OTHER, ROCKIN' TILL DAYBREAK.

SEVEN.. SHE BOP – IF THERE'S ONE THING THAT EXCITES MOST GUYS, IT WOULD BE THEIR GIRLFRIEND MASTURBATING FOR THEIR OWN VIEWING PLEASURE. SO TELL HER THAT IT'S OK TO DOUBLE CLICK HER MOUSE EVERY ONCE IN A WHILE AND ASSURE HER THAT THIS IS THE BEST WAY TO PLEASE YOU. WITH ALL THAT BOOB GROPING AND PUSSY MASSAGE THAT SHE'S GIVING HERSELF, YOU'LL THANK CYNDI LAUPER FOR IT. FEEL FREE TO GRAB YOUR CAMERA AND RECORD IT – IT WOULD BE GREAT IF YOU'LL JACK YOURSELF OFF TO IT.

EIGHT.. LOVE TO LOVE YOU BABY – DONNA SUMMER SIXTEEN MINUTES OF MOANING AND ORGASMIC BEATS. NEED I SAY MORE?

NINE.. ROXY ROLLER – SUZI QUATRO GOT A BAND? I KNOW, ROCKSTARS GET THE BEST. AND ROXY ROLLER IS JUST ONE OF THOSE GROUPIE SONGS THAT COMES IN HANDY WHEN YOU NEED IT. DON'T FORGET TO CLEAR YOUR TRAILER OR YOUR MOTEL ROOM AND GET YOUR PLAYER READY TO CUE IN THIS SONG. THIS IS ONE OF THOSE SONGS THAT WILL MAKE YOU WANNA BE IN A BAND SO THAT YOU CAN SPANK THAT ROUND GROUPIE ASS. OH YEAH!

TEN.. CALL ME – BLONDIE BOOTY CALL SONG FOR YOUR EX-BOYFRIEND, EX-GIRLFRIEND, EX-WIFE, EX-HUSBAND, FUTURE HOOK-UP, FUTURE WHATEVER AND ALL OTHERS. GOOD FOR BREAK-UP SEX, CLOSING THE DEAL AND BEGINNER'S LUCK. AND AFTER THE RUMP, YOU CAN SAY BYE BYE. IT'S THAT EASY. ANYTIME, ANY PLACE, ANY WHERE, ANY DAY. WHAM BAM THANK YOU, MA'AM!. / **SLITZ**

HANGOVER PART II
– THE WOLFPACK IS BACK.....

The Hangover Part II is a 2011 American comedy film and sequel to 2009's The Hangover.

In April 2009, Warner Bros. set director Todd Phillips to write a sequel to The Hangover with Scot Armstrong. The dealmaking came two months before The Hangover was released on June 5, 2009. While studios often wait to see box office results before committing to a sequel, The Hangover tested strongly, and a trailer brought down the house at ShoWest.

The Hangover Part II held its premiere on May 19, 2011 at Grauman's Chinese Theater in Hollywood, California.

The Hangover Part II debuted in 40 countries. In total, the film accrued $60.3 million from its Friday-through-Monday opening weekend, more than tripling the international gross of The Hangover's debut in the same territories. /**SLITZ**

JOYCE MERCEDES

– INTERNATIONAL DJ/SINGER/PRODUCER...

WHAT DO YOU ACTUALLY DO AND IS IT FUN? Ambitious woman who is dedicated to music.

HOW LONG HAVE YOU BEEN A DJ AND WHY DID YOU FIRST GET INTO DJING? I have been in the industry since 1992, next to my studying economics I was dancing in best clubs around the world, DJ and dance scene are very close to each other. So I just started for fun on afterparties @ houses with friends, with zero intention to become serious is this field.

WHAT WAS YOUR FIRST BOOKING AND WHAT HAS BEEN YOUR BEST DJ EXPERIENCE? I don't remember well, but I quess working for space world tour Ibiza was my first serious booking. Best experience, there are so many, so many countries all is different and all is good.. So there is no best in this.

WHAT HAS BEEN YOUR BIGGEST GIG SO FAR? Festivals are always the biggest. I did some in Netherlands and in Portugal, Tunesia and Egypt.. All massive.

DO YOU PREFER PLAYING AT CLUBS OR BIGGER EVENTS? Bigger events.

WHO AND WHAT ARE YOUR INFLUENCES? My heart and my path in life, things that come across. But I have been very occupied with music. From an age of 11 years I was already buying records and doing many performances as a singer, when started the house music I was completely caught by it... So I kind of grew up with it and saw the whole movement growing and splitting!

HOW WOULD YOU DESCRIBE YOUR SOUND? Uplifting energetic happy combined with tough cool sexy in the field of tech/progressive house.

WHAT'S YOUR TOP 4 TRACKS OF THE MONTH? DON'T HAVE.

WHAT TRACK IN YOUR REGULAR SET HAS HAD THE LONGEST SHELF LIFE? Chus & Chaballos – Go on remixed by Mike Morales.

WHO'S YOUR FAVORITE REMIXER? Many but one favorite is Simon & Shaker.

WHEN YOU ARE UP THERE DO YOU HAVE A PLAY LIST OR DO YOU READ THE CROWD? Both... Of course I prepare but you can't neglect your feeling at the present.

WHAT CLUB/ EVENT WOULD YOU LIKE TO DO? Ultra Miami Mainstage.

DOES IT COST LOTS OF MONEY TO BECOME A DJ? It does cost, earlier days way more than now. I remember paying 13 euro for just 1 record, and then of course the equipment and the whole entrepreneur cost of the company. Now? I think you don't need to spend anymore, that's why everybody is a DJ nowadays I guess. I have pioneer cdj players mixer, got the Technics vinyl players and of course a Mac laptop. BEAUTY AND BRAINS

Hugh Hefner. He wouldn't be able to build the Playboy Mansion if he had a peanut for a brain now, would he? Is it safe to assume that he capitalized on the talents (or should I say weaknesses) of this group of people - who the most holier-than-thou would rather call "bimbos"?

When does a woman become a bimbo?

When I was a young girl, my mom would always tell me of that sort. So at a tender age, I started practicing my quick wit to always be on my toes. "Airhead" was never an adjective that I would like to be associated with; I wanted to be beauty and brains. I wanted people to describe me as "smart-to-the-point-of-being-cheeky." Sarcasm equals intelligence, at least in my point of view.

So again, when does a girl become a bimbo? Here are some bimbo indicators:

1.) They have to break the barometer of hotness. And when

Model_ERICA ARLANTE

WWW.SLITZMAG.COM - Where the wild things are!

I say "hawt," it's either that they have massive jugs, a figure 8, a prominent butt, or simply a look or a pout that would turn men's knees to jelly.

2.) Blonde or dyed, optional.

3.) The IQ of a newborn baby. Now this one's tricky. How do you determine someone's IQ just by looking at or talking to them? Is it when they can't hold a decent conversation? Maybe not. I mean, they're gorgeous and beautiful and a lot is going on in their mind. It's not their fault if you're trying to discuss the weather and they're thinking about the clothes they should wear to the next party. Maybe it was something else; maybe it was a big deal to them that they broke a nail that took them so long to grow. It's not their fault if they don't laugh at your jokes either. There's a saying that goes: check yourself before you break yourself. So maybe if you're in a room full of mirrors wherein they can check themselves how cute they are laughing, they will. Either that or the make-up is too heavy that it might crack.

I don't have anything against bimbos, in fact I think they're loads of fun --- if you want to constantly think of praises to compliment them. Or be ready to just say "yes" to whatever they're yapping about. This is what fuels their confidence, boosts their self-esteem.

For me, the bimbos only become bimbos when they start bad-mouthing other people behind their backs. How can they judge or even think of saying bad things to anyone they barely even know? And in making the assumption based on the common knowledge that bimbos don't have any long-time friends, if they are so high and mighty, what's the need to put other people down to make themselves look above everyone else? Insecurity is like acid that burns from the inside, so we non-bimbos won't be surprised to find bimbos melting from their pedestal. / **SLITZ**

SINGLE@30MEN//

SINGLE @30 MEN//
– TYPES OF ELIGIBLE MEN

These are men that we normally see anywhere. They may look average or common, but if you look deeper and try to see through them, you will know much, much more! They are the boyfriend material, the successful male, the bachelors, the most eligible SINGLE @30 Men!

THE WORKAHOLIC MAN: For the man that can make work his #1 concern, a romantic relationship can be displayed as being a hindrance he that he never had time or even the energy to think about it. It's most likely he's set higher profession goals for themselves - possibly finishing medical school or beginning their unique business - with individual repayment times (state, by grow older Thirty-five). Talked to this guy, Clint, Thirty-four, "My main focus is coping with the position in my profession and work exactly where I wanted to be. I want to be stable as well as accomplished and sufficient enough to move up to that position that I am aiming at before I hit 35," he says. "I cannot sacrifice or even compromise my personal profession just for anyone however."

NOW IS NOT THE TIME MAN: Waiting for the "right time" isn't the solution, a guy like this need to understand that life does not start on his schedules. Somebody please point it out! Also, it need not be a lonely road for him to walk to finally find the woman he seeks. He just have to squeeze in a little of his precious time to make time and mingle rather than procrastinate. A supportive woman would be understanding and encouraging but you need to give her time too. And for the man who is working to become a husband material, consider that 91% of women in a Match.com survey reported that women tend to fall in love with a moderately-successful career man with a balanced life

Words _SHALINA DELA PAZ-SILVA (PAIGE.SLITZMAG@YMAIL.COM) Photo _THEGROOVECRUISE.COM

rather than a very successful but has no time for quality time.

THE PARTYMAN: For this man –weekends spent in clubs and bars and the newest party place has too much appeal to entertain the possibility of settling down. According self-described "committed bachelor" Sean, 30, of QC: "The main reason I go out, is to unwind and have a good time; to mingle, dance, get drunk and have fun and not for the purpose to meet someone."

Sooner or later, men like him would mature, in his snail-pace time. And when he wakes up one day only to realize that their party-hearty peers are becoming fewer in number or that the average age of his social circle and his dates, remains constant as he ages. Another sign: More numbers in his cell phone are for "friends with benefits" than those belonging to actual friends. The bottom line is, for all the fun of casual encounters and late nights out, a partier would do well to understand that a committed relationship has its own joys, too — even excitement and novelty. To find 'the one' and be in a relationship can be a source of adrenaline and passion, too.

THE SHY-MAN: One big fact: To meet a woman, it requires conversation which can be problematic for a timid-shy guy. "I really have this in mind, the purpose of meeting people when I go out, but I can hardly gather enough courage to talk to strangers!" says Don, 32, of Pasig . "And even if I somehow manage to try, I get nervous and backs out fast and leave before I could say hello." For a 30-year-old-yuppie, that would be a 'WHAT?!' if I was there and witnessed that for real. These shy men could be greater off seeking possible mates who share precisely the same affinities. Since he need to place himself in scenarios that present possibilities for effortless conversation, a theater clubs, sports activities or something else with less expectations for regular participation, like volunteering. Or, when you finally get into the dating phase, try to get a double date or an activity date with friends, that would reduce the pressure of a one-on-one talk.

THE PICKY MAN: Despite all his many, many 1st dates, this man is resolutely single, in no way have met anyone who quite fits his 'standards' for the ideal mate. He is convinced that there is someone out there who is available and is also strongly decided to discover "The One" or disappointed by his inability to perform so. Says Gary, 35, of Alabang: "It's not possible for me to compromise now. I cannot settle for somebody that doesn't attract me physically, emotionally, intellectually and so forth." Compounding this inability to compromise is the belief that perfection in another individual genuinely exists. It is an idea that can lead itself to fantasies of discovering joy at the right time. Men with impossibly higher standards may possibly drop for a person, but then he'll see this person's flaws and imperfections and become disappointed. Sadly, this can lead to discounting probably excellent matches, as the picky guy may possibly be unwilling to present a date.

I guess this boils down to the same… commitment –scared or simply in love… in-Love with themselves! So Girls, when you go out tonight with that same man, err friend-- who comes with you and spend the nightlife together, look into his eyes and gauge him which of the above would he fall into. I'll leave it up to you to think and decide. / **SLITZ**

NAZARIAN'S SEALED HIS REPUTATION AS LOS ANGELES' KING OF THE NIGHT...

BY JOHN KARLSSON

Sam Nazarian has sealed his reputation as Los Angeles' King of the Night..... SBE, his Los Angeles hospitality group has acquired its largest Los Angeles night-life competitor. The purchase of privately held Syndicate Hospitality nearly doubles SBE's night-life holdings, making Nazarian the most powerful operator of clubs on the West Coast.

Sam Nazarian is accustomed to success and fame. He has played himself on the cable-TV show "Entourage". He operates some of Los Angeles' most popular nightspots, and newly acquire Syndicate Hospitality. Through the acquisition, sbe has established the largest nightlife footprint on the West Coast.

For nearly a decade the sbe Nightlife Group has become synonymous with developing and operating some of the most successful and high-profile nightlife brands in the country. The addition of Syndicate Hospitality's properties enables the sbe Nightlife Group to offer a wider selection of experiences to a clientele that demands constant innovation and originality.

"sbe is experiencing a powerful growth phase throughout each of its divisions and as we expand our hotel and restaurant brands into new markets it's important that we curate highly compelling nightlife experiences as well," said Sam Nazarian, sbe Founder, Chairman and CEO.

The addition of Syndicate Hospitality's properties, as well as the recent acquisition of Nacional in Hollywood, expands the sbe Nightlife Group portfolio to 27 (hotel, restaurant and nightlife properties).

The sbe's recent strategic marketing partnership with MGM Resorts International, which unites MGM's M Life program and sbe's rapidly growing Preferred Partner loyalty program. Additionally, the sbe Nightlife Group recently announced the expansion of the Hyde Lounge brand to Bellagio Hotel & Casino. Including Hyde Lounge locations in Los Angeles and Las Vegas, the sbe Nightlife Group will unveil Hyde Beach Club in SLS Hotel at South Beach in March 2012.

Already a proven leader in Southern California, sbe is poised for significant growth. Currently, sbe is expanding many of its flagship hotel, restaurant and nightlife brands into the New York City, Miami, Las Vegas and Houston markets./**SLITZ**

YOUTUBE VIDEOS: NOW WITHOUT THE YOUTUBE LOGO

No Logo enthusiasts rejoice! YouTube today renounced its hegemonic branding practices by enabling a feature called "modest branding," which removes the YouTube logo from the bottom control panel of embedded videos. The move is a consideration for professional video clients who might want to use YouTube to host their videos but are turned off by the amateur connotations of its logo.

To enable modest branding, you simply add a ?modestbranding=1 tag after the url in your embed code. See a modest player in action over at Read Write Web. If you hover over the title of the video, it'll tell you that it's YouTube and you can click on it to take you there./**SLITZ**

BMW 2012 MINI COOPER COUPE

The 2012 Mini Cooper Coupe is very similar to its roomier 4-person Cooper along the front end but across the roofline the 2012 Mini Coupe clearly differentiates itself from the slightly original, modern Mini Cooper. The first of the lineup to feature the new "three-box" design concept, with the roof, wraparound glass greenhouse and vehicle body designed as three separate "boxes" on a horizontal plane. The result is a Mini 52 mm lower than the traditional Mini Cooper and a wide, aggressive stance that just screams 'sports car'. Thanks to the addition of the forward-shifted roofline and the deletion of the second row seating area, Mini has added an active rear spoiler that rises out of the rear panel when the car hits 50mph and drops back down when the speeds drop below 37mph.

The 2012 Mini Cooper S Coupe adds a twin scroll turbocharger and direct injection to the 1.6L 4-cylinder and the result is an output of 181 horsepower and 177lb-ft of torque, along with a temporary overboost feature that lifts the torque output to 192lb-ft from 1,700 to 4,500rpm. All said and done, the 2012 Cooper S Coupe dashes from 0-60 in 6.4 seconds and it hits a top speed of 142mph./**SLITZ**

MY FIRST TRIP TO THE PHILIPPINES

Editor Shalina Silva

This was about my first trip to the Philippines. I went with a good pal of mine. The major reason that I decided to come here for a vacation was because of the many wonderful things that friends told me that I would find here. I just got divorced and I want to have fun. Am not really looking for serious stuff but a regular date would be nice. Anyhow, I am here! Manila welcomes this hot boy from Vegas!

My first trip, his second, I let him lead me. First we settled in a nice and cosy hotel in Manila. My friend chooses to check-in there and I instantly understand why. The red light district is very captivating. First night we hit this nice bar. Dim lights, quite smoky (I do not smoke), pungy smell of liquor, and cheap perfumes. Typical night bar I guess. Well, my buddy says I've been the good boy all my life, it's about time to get a little 'bad', so here I am to experience the world. I sure had a wild first night but the girls do not appeal to me.

We have time so went to this local resto, meet with our contact friend, and soon after dinner we hit the road. The Makati night clubs are more appealing to me. Later in the evening I have already met several new faces but this one girl stands out. Long-haired, olive-brown skin, curvy (I don't like skinny), and cheery personality. We danced all night. My first night, our first meet, lots of booze and the night was young. We ended up back in our hotel… together. I do not know where my friend was, and I don't care. All I know was she was with me. And we hit it… hard!

We stripped each other's clothes fast while I am literally sucking her mouth. She knows how to kiss and it was good. It's been a while for me and I could not wait much longer. I lifted her naked body and pinned her on the wall. I can see all of her before me, so beautiful, hot, sweaty, and so lusty. I slide my throbbing head into her open wet cunt in one fast thrust. She moaned so loud but moulded to my size in time. All I can think of was to thrust. Fuck her hard… harder… hardest! I was shaking with lust. This small hot body is melting me inside her hot pussy. I love it! It was a fast fuck, but very hot and good. Shower was next and then we sleep.

I don't know what time it was but for sure, I woke up feeling a little short of air. I opened my eyes and surprisingly, my hot girl was rubbing her fat-lipped cunt on my face. FUCK! That was a way to wake up! She hovers on my mouth, it was dim and she was giggling to know she woke me up. My instant reflex was to pull her hips and press her smooth shaved cunt into my open mouth. I sucked her hard; I was drinking all her cunt juices and was making her scream. This is what you wanted; this is what you will get! I went hard fast while eating her tasty hole. I kept licking the insides with my tongue, and tongue fucking her too! I ate her for hours. I did not want to stop! She was a sweet and tasty-tasty girl! She flipped and reached for my very erect cock. Standing in attention and waiting to be sucked, fucked, whatever I wanted it! We 69 after that. She sucked me so hard I almost cum in minutes of her hot sucking mouth. Fuck! Fuck! Fuck! She licked, sucked, nibbled, and mouth-fucked my big hard cock. It was amazing! All the while I was munching on her wet cunt until she squirted in my mouth. She screamed so loud and kept pressing her pussy harder to my mouth. No complaints, I eat what I am served. She was cumming hard while kept on sucking me at the same time. The girl has some appetite! It was one fucking-hot midnight meal. (I thought girls here were shy hehe) I felt my load is about to blow and I did. I came into her mouth, and she swallowed it all. Sooo fucking hot! I was exhausted. Sweaty and weak but I felt so good.

She stayed with me all of my vacation time and we had fun. Lots of fucks, and sucks, and more fuck fun! This girl made my vacation very memorable! I am already planning to come back next year!/**SLITZ**

NEW CUPCAKE VODKA

NEW CUPCAKE VODKA

Cupcake™ Original Vodka, one of four new super-premium, six-times distilled vodkas, won Best Vodka of Show honors out of 28 vodkas worldwide at the prestigious 2011 New York World Wine & Spirits Competition.

The Best in Show award is reserved for those spirits that receive a gold or double gold distinction and then are chosen as the best during another blind tasting by the panel of judges.

"We are humbled by this recognition. It is a testament to Cupcake Vodka's super clean quality that consumers will be proud to share with family and friends," said Adam Richardson of Cupcake. " When we set out to make Cupcake Original Vodka, our goal was to craft genuine, non-flavored Vodka with unsurpassed smooth taste. We start with the finest grain and grape, and then distill it six-times to remove impurities. This delivers a silky, creamy texture that has become synonymous with the Cupcake brand."

Cupcake super premium Vodkas include Original (unflavored), Chiffon (Lemon), Devil's Food (Chocolate) and Frosting (Vanilla). Each of the Cupcake vodkas carries a suggested retail price of $17.99 per 750ml bottle.

GUERNSEY REMOVED FROM BLACKLIST

Democrat Senator Carl Levin removing Guernsey from his "blacklist" - this will no longer mistakenly list the Island as an "offshore secrecy jurisdiction."

Guernsey's Chief Minister has met numerous times with Senator Levin's Chief Investigator and Counsel Bob Roach to discuss Guernsey's well-regulated financial sector, its lack of bank secrecy laws and its co-operative stance on tax information sharing and to object to the inclusion of Guernsey as a presumed secrecy jurisdiction.

"The decision to no longer blacklist Guernsey is a major achievement that underscores the importance of having started and continuing the dialogue with politicians and government officials in Washington. We are delighted that our relationship with the United States is not only recognized as important but that it continues to be judged by both governments as a success."

In late 2010 the Multistate Tax Commission (MTC), an advisory group for the 50 American states, also chose to remove a similar mistaken reference to Guernsey as an uncooperative tax haven in model legislation that it recommends to its state officials. Guernsey officials met with MTC staff several times to bring about this change.

Although there is an on-going political debate over deficit reduction and "debt ceiling" legislation in the United States, the generous time and serious consideration devoted to these meetings by the many Washington officials was impressive, and testimony to the willingness to engage with Guernsey./ **SLITZ**

WHAT IS A TAX HAVEN?

A tax haven is a state or a country or territory where certain taxes are levied at a low rate or not at all.

Individuals and/or corporate entities can find it attractive to move themselves to areas with reduced or nil taxation levels. This creates a situation of tax competition among governments. Different jurisdictions tend to be havens for different types of taxes, and for different categories of people and/or companies.

There are several definitions of tax havens. The Economist has tentatively adopted the description by Geoffrey Colin Powell (former economic adviser to Jersey): "What ... identifies an area as a tax haven is the existence of a composite tax structure established deliberately to take advantage of, and exploit, a worldwide demand for opportunities to engage in tax avoidance." The Economist points out that this definition would still exclude a number of jurisdictions traditionally thought of as tax havens. Similarly, others have suggested that any country which modifies its tax laws to attract foreign capital could be considered a tax haven. According to other definitions, the central feature of a haven is that its laws and other measures can be used to evade or avoid the tax laws or regulations of other jurisdictions.

In its December 2008 report on the use of tax havens by American corporations,[4] the U.S. Government Accountability Office was unable to find a satisfactory definition of a tax haven but regarded the following characteristics as indicative of a tax haven:

1. nil or nominal taxes;
2. lack of effective exchange of tax information with foreign tax authorities;
3. lack of transparency[citation needed] in the operation of legislative, legal or administrative provisions;
4. no requirement for a substantive local presence; and
5. self-promotion as an offshore financial center.

Do your business where its most profiteball.

GUERNSEY - THE LEADING FINANCE CENTRE

Guernsey has been ranked 26th in the latest Global Financial Centres Index released today.

The Island has dropped four places overall from the last report published in March but retains its position as being in the very top bracket of 'offshore' centres.

"Overall I think we can be satisfied with the outcome of this report," said Peter Niven, Chief Executive of Guernsey Finance.

"We can see from the table that Guernsey is not alone - particularly among 'offshore' centres - in seeing a drop in its ranking. In fact, our underlying score actually fell by less than many of our traditional competitors and means that we very much maintain our place as a top tier 'offshore' finance centre. This also reinforces the picture painted by another recently published set of rankings from The Banker where we gained ground in a list of 'specialised' finance centres."

There will always be one or more places to tuck away money.

The Global Financial Centres Index has been published by the Z/Yen Group every six months for the last four years. The first seven reports were produced in association with the City of London but GFCI 8 is sponsored by the Qatar Financial Centre Authority. The tables are based on statistical information about each centre and also feedback from practitioners in the financial services industry globally.

GFCI 8 quotes an asset manager based in Edinburgh who says: "The Channel Islands continue to lead the way and are now pointing to the fact that they are not just 'offshore' centres."

Mr Niven added: "I would wholeheartedly endorse this comment. If third parties are making a distinction between 'onshore' and 'offshore' then Guernsey is very much a leader in 'offshore' but in reality we would rather differentiate centres by virtue of the services offered and standards to which they work and on this basis then there is no doubt that we are a leading international finance centre."

GFCI 7 in March saw London and New York level in the top spot but in this latest report the former has now regained the lead.

Guernsey's underlying score fell by 16 rating points to leave the Island in 26th position overall out of 75. This is behind Jersey (down 17 points and four places to 22nd) but ahead of the Isle of Man (down 20 points and eight places to 32nd), Hamilton/Bermuda (down 20 points and three places to 34th=) and Cayman Islands (down 23 points and six places to 34th=).

Mr Niven added: "The rankings are increasingly reflecting the growth of new and emerging financial hubs such as Taipei and Seoul. They have gained significantly from the last report and so have both Hong Kong, which increased by 21 points to stay third overall and in particular, Shanghai - picking up 25 rating points to move up five places from 11th to sixth.

"Shanghai has publicly set itself the goal of becoming a top tier international finance centre by 2020 and this sort of evidence backs up the progress we are seeing on the ground in terms of its increasing importance and influence not just in the region but globally. Of course, Guernsey made an early move to establish an office in the city and we have continued to build and strengthen relationships through regular visits, for example only last week I accompanied the Lord Mayor of the City of London to Beijing and Shanghai. It is this work which puts us in a very good position to take advantage of the business flowing through these rapidly developing centres."?,

N SWITZERLAND TAX COMPETITION

For the Swiss, tax competition is in their blood, and has to retain its leading position in international tax competition.

Tax competition, many praise it, others criticize it, but no one doubts its importance. This importance has grown in recent months. I will begin by letting you into the secret as to why Switzerland has always been successful in terms of tax competition. And secondly, I will explain to you why I am committed that it should stay that way.

Firstly, the secret - admittedly a rather open secret: Switzerland has a liberal system of government, the ideal foundation for competitive tax policy, with its federalist structure and direct democracy.

The transition to an automatic exchange of information, as practised in numerous EU member states remains out of the question. This practice is not only questionable in terms of its effectiveness. It is also contrary to our understanding of privacy. Furthermore, Switzerland and the EU have found an equivalent solution accepted by both sides in the form of agreement on the taxation of savings income. Switzerland applies a system of tax retention on interest payments on behalf of the state of residence, which is ultimately of more benefit to the country in question than innumerable reports of taxpayers' names.

I can assure you that the Federal Council and I as finance minister will do everything in our power to retain our leading place in terms of tax competition. We are well equipped to do so. That way our tax policy will remain consistent, client-oriented and liberal. /**SLITZ**
